DOMAINES BARONS DE ROTHSCHILD LAFITE

AT THE HEART OF THE DOMAINES BARONS DE ROTHSCHILD LAFITE GROUP LIES THE ILLUSTRIOUS CHÂTEAU LAFITE ROTHSCHILD. THE FIRST CHÂTEAU PURCHASED BY THE FRENCH ARM OF THE ROTHSCHILD FAMILY, LAFITE HAS CULTIVATED A TRADITION OF WINEGROWING PRACTICES AND EXPERTISE OVER SIX GENERATIONS. NAMED THE 'LAFITE SPIRIT', THIS HAS CONTINUED TO GUIDE THE PRODUCTION OF HIGH QUALITY WINES WITH FINESSE AND ELEGANCE THROUGHOUT THE GROUP'S PROPERTIES OVER THE PAST CENTURY AND A HALF.

It is this pioneering 'Lafite Spirit', based on a rich past and tradition rooted in the soils of Bordeaux, that has led the Group to open up to the world, establishing vineyards in new regions and producing new, high quality wines. The handing down of knowledge from generation to generation persists to the present day, with the most recent succession occurring in 2018 when Saskia de Rothschild became the 6th generation to take up the reins of Château Lafite and Domaines Barons de Rothschild Lafite.

Beyond the Bordeaux properties of Château Duhart-Milon, Château Rieussec and Château L'Evangile, the Group today also counts the prestigious wineries of Viña Los Vascos (Chile, 1988), Domaine d'Aussières (Languedoc, 1999), Bodegas Caro (Argentina, 1999) and a new vineyard in China, Domaine de Long Dai, among its collection. With a total 1,200 hectares of vineyards, Domaines Barons de Rothschild Lafite works with an international network of more than 80 distributors.

LES LÉGENDES

OWNER OF CHÂTEAU LAFITE ROTHSCHILD FOR FIVE GENERATIONS, THE ROTHSCHILD FAMILY HAS BEEN ASSOCIATED WITH THE VINEYARDS OF BORDEAUX SINCE 1868 AND TODAY OWNS CHÂTEAUX LAFITE ROTHSCHILD, DUHART MILON, L'ÉVANGILE AND RIEUSSEC.

In addition to the wines produced from their prestigious vineyards, the Barons de Rothschild have for many years created a range of more accessible wines for everyday drinking. Initially created at the request of family and friends, these were known as the “Réserve des Barons”. In a continuation of this tradition, Domaines Barons de Rothschild Lafite decided to produce the Réserve in four major Bordeaux appellations: Bordeaux, Bordeaux Blanc, Médoc and Pauillac. In creating the Collection, DBR Lafite's objective is to offer classic Bordeaux wines with immediate charm.

A major appellation in the Médoc, Pauillac benefits from an exceptional terroir characterized by gravelly hilltops on a clay subsoil which ensures natural drainage and encourages the vines to develop deep roots: these are the perfect conditions for Cabernet Sauvignon.

MOULIN DE DUHART

IT WAS AT THE URGING OF CHÂTEAU LAFITE'S OWNERS IN THE EARLY 18TH CENTURY THAT WIDESPREAD GRAPE CULTIVATION IN THE PAUILLAC DISTRICT BEGAN. JUST NEXT DOOR, THE PRESTIGIOUS FOURTH GROWTH OF CHÂTEAU DUHART MILON BECAME LAFITE'S SECOND PAUILLAC PROPERTY.

The Château's soils have long been recognised for their high quality and its wine was ranked as a Fourth Growth in Pauillac in 1855. However, successive changes in ownership led the estate's vineyards to decline dramatically, and it was only four decades after the Rothschild family acquired it in 1962 that the property saw its prestigious classification restored.

Moulin de Duhart is the second wine of the stunning Duhart-Milon estate, which lies just to the west of Château Lafite's Carruades vineyards. The same technical team, first class facilities and attention to detail are employed in the production of this wine as they are to the first wine of the estate.

Moulin de Duhart 6 x 75cl

This classic Cabernet and Merlot blend shows all the characteristics of a fine Pauillac. Wonderful depth and richness, well structured with precise layers of dark berry fruits and flinty tannins.

BLASON DE L'ÉVANGILE

THROUGH A MYSTERY OF GEOLOGY, THE SOUTHEAST POMEROL PLATEAU FEATURES A LONG LINE OF SURFACE GRAVEL. THREE VINEYARDS, INCLUDING CHÂTEAU L'ÉVANGILE, SHARE THIS RARE SOIL.

The property is bordered to the north by Château Pétrus and separated from Château Cheval Blanc in Saint-Émilion to the south by nothing more than a secondary road.

The vineyard covers 22 hectares, made up of sandy clay soil with pure gravel, on a subsoil containing iron residues. The grape varieties consist of Merlot (80%) which contributes to the wine's fruity flavour, body and its unmistakable suppleness; and 'Bouchet', the local name for Cabernet Franc (20%), which brings finesse and structure.

Château L'Évangile was acquired by Domaines Barons de Rothschild in 1990 from the Ducasse family. Blason de L'Évangile, the estate's second wine, has characteristics similar to the Grand vin, but less potential for ageing as it is matured in barrels for a shorter period of time. It should be enjoyed younger than its more robust counterpart.

Blason de l'Évangile6 x 75cl OWC

With the elegance of the first wine of the estate, this classic Merlot blend delivers black cherries, dark chocolate and perfectly precise tannins. Drink now or keep for 5+ years.

CHÂTEAU PARADIS CASSEUIL

CHÂTEAU PARADIS CASSEUIL TAKES ITS NAME FROM TWO SOURCES. CASSEUIL IS THE NAME OF THE DISTRICT, WHILST PARADIS COMES FROM THE LAND REGISTRY WHERE THE MAIN PARCEL OF VINES ON THE PROPERTY IS KNOWN AS "LES VIGNES DU PARADIS" – THE VINES OF PARADISE.

Château Paradis Casseuil formerly belonged to Château Rieussec. When purchasing the First Growth of Sauternes in 1984, Baron Eric de Rothschild lost no time in adding this jewel of the Entre-Deux-Mers region to the DBR portfolio. The vineyard of Paradis Casseuil was extended in 1989, becoming one of the leading properties of the region.

Château Paradis Casseuil6 x 75cl

A modern and fresh blend of Merlot and Cabernet Sauvignon with a little oak and an easy drinking Bordeaux style.

CHÂTEAU ODILON

PREVIOUSLY NAMED CHÂTEAU PEYRE-LEBADE BASED ON ITS GEOGRAPHICAL LOCATION, THE ESTATE WAS RENAMED CHÂTEAU ODILON, IN HONOUR OF PAINTER ODILON REDON WHO SPENT HIS CHILDHOOD AND MOST OF HIS WORKING LIFE ON THE PROPERTY. HIS MOST FAMOUS PAINTINGS WERE INSPIRED BY THE BUCOLIC LANDSCAPES OF THE MÉDOC, SCATTERED WITH MOOR AND MARSHLANDS.

In 1979, after being neglected for several years, the property was acquired by Baron Edmond de Rothschild who already owned the neighbouring estates: Châteaux Clarke and Malmaison. This acquisition marked the beginning of a new era, starting with the complete restructuring of the vineyards and restoration of the buildings.

The 55 hectares of the estate are planted with Cabernet Sauvignon (24%), Merlot (64%), and Cabernet Franc (12%). The limestone-rich geology of the site certainly influenced the original name of the property, since Peyre-Lebade means 'raised rock' (pierre levée).

Château Odilon6 x 75cl

Château Odilon has the fruity and fleshy style so characteristic of Haut-Médoc wines. Its high Merlot content contributes to its unique, supple style.

R DE RIEUSSEC

THE FIRST GROWTH SAUTERNES PROPERTY OF CHÂTEAU RIEUSSEC WAS ACQUIRED BY DOMAINES BARONS DE ROTHSCHILD LAFITE IN 1984. THE ESTATE THEN CONSISTED OF 110 HECTARES, 68 HECTARES OF WHICH WERE VINES. TO ENHANCE CHÂTEAU RIEUSSEC'S POTENTIAL, RIGOROUS MEASURES WERE IMPLEMENTED, INCLUDING METICULOUS SORTING OF THE GRAPES AND FERMENTING IN BARRELS, WHICH PROVIDED A MUCH FINER SELECTION FOR THE BLENDING OF THE GRAND VIN.

Today, Château Rieussec's vineyard extends to the border of Fargues and Sauternes and adjoins Château d'Yquem. Rieussec is one of the largest properties in Sauternes and Barsac, with the vineyard covering 93 hectares of gravelly sandy-clay soil.

In addition to the iconic botrytis wines produced at Rieussec, a dry expression of the grapes is produced. R de Rieussec brings the same Sauvignon and Sémillon blend together but with a vibrant dry style suited to every occasion. Partly produced from the same vines as the Sauternes, 20% of fermentation takes place in barrels which enhances the wine's potential to age, while preserving its freshness and the natural fruitiness from the grapes.

R de Rieussec 6 x 75cl

A crisp and fresh blend of Sémillon and Sauvignon Blanc delivering citrus and tropical fruits, elegantly balanced by creamy notes for complexity.

DOMAINE D'AUSSIÈRES

AUSSIÈRES HAS MADE WINE SINCE THE ROMAN ERA, A PERIOD WHEN THE GREAT PROPERTIES OF THE "ROMAN PROVINCE OF NARBONNE" WERE RECORDED IN THE LAND REGISTRY AND BECAME THE MAIN WINE SUPPLIERS TO ROME.

Acquired in 1999 by Domaines Barons de Rothschild Lafite, the 550-hectare Domaine d'Aussières underwent a vast rehabilitation programme to restore and revitalize one of the oldest and most beautiful wine-making properties in the Narbonne region.

167 hectares of vines were replanted with carefully selected traditional Languedoc grape varieties: Syrah, Grenache, Mourvèdre and Carignan, complemented by Cabernet, Merlot and Chardonnay. The estate buildings were restored at the same time and a new winery installed in the old cellars, in the heart of the vineyard.

Two thirds of the vineyard fall in the Corbières AOC appellation and one third in the Vin de Pays d'Oc appellation. The consistency and remarkable potential of the wines produced since 2003 have already positioned Aussières as one of the front runners in the revival of the Languedoc.

VIÑA LOS VASCOS

"30 YEARS AGO, I VISITED LOS VASCOS FOR THE FIRST TIME AND WAS IMMEDIATELY IN AWE AT THE BEAUTY AND SIZE OF THE ESTATE WE HAD HERE. SINCE THEN, I'VE COME BACK EVERY YEAR AND THE MAGIC HAS BEEN SEEING THIS LAND EVOLVE THROUGH THE WORK OF NATURE AND OF OUR TEAMS. IT HAS GROWN TO BECOME AN ESTATE WITH ITS OWN UNIQUE ECOSYSTEM OF BIRDS, TREES AND MOST IMPORTANTLY EXCEPTIONAL PEOPLE AND VINEYARDS" - **BARON ERIC DE ROTHSCHILD**

Domaines Barons De Rothschild Lafite took over Los Vascos (meaning the Basques, in honour of its Basque origins) in 1988. At the time, the estate extended to 2,200 hectares with 220 hectares planted to vine.

Planted in a single block, the vineyard at Viña Los Vascos benefits from intense exposure to the sun, adequate water sources, semi-arid soils and little risk of frost. This unique microclimate has everything needed to produce extraordinary wines and a mixture of grape varieties thrive here: Cabernet Sauvignon (85%), Carmenère (5%), Syrah (4%), Malbec (1%) and Chardonnay (5%).

Following a major replanting at the beginning of the 1990s, the vineyard is divided between a group of 15-year old plots and another group of 40 to 50-year old plots. The oldest vines are 70 years old.

BODEGAS CARO

THE IDEA OF FORMING A PARTNERSHIP BETWEEN DOMAINES BARONS DE ROTHSCHILD LAFITE AND THE PRESTIGIOUS ARGENTINIAN WINE FAMILY CATENA WAS BORN IN 1999. INITIAL ENTHUSIASM QUICKLY BECAME A CONCRETE PLAN TO PRODUCE A SINGLE WINE THAT WOULD COMBINE FRENCH AND ARGENTINE CULTURES AND ENHANCE THE ALLIANCE BETWEEN THE SIGNATURE GRAPE OF EACH PRODUCER, MALBEC AND CABERNET SAUVIGNON.

Work began in 1999 to produce Bodegas CARO's first vintage in 2000. The success of the early vintages resulted in the creation of another wine in 2003, AMANCAYA, which similarly to its older brother is based on a harmonious balance of Argentinian identity and Bordeaux style. Bodegas CARO later decided to celebrate the grape variety for which Argentina's vineyards are famous by launching a pure Malbec, ARUMA, in 2010.

The most recent addition to the esteemed portfolio has been Petit Caro. Working with a similar blend to Amancaya, sourced from only the best plots and given extra time in oak for a beautiful smokey depth of flavour.

The Bodegas CARO winery, set in the heart of Mendoza, has been producing the wines since the 2003 vintage and serves as the anchor of the CARO project. The renovation of the historic building and gardens in order to expand the winery and open the Bodega to the outside has brought the final touch to the original project.

BARON PHILIPPE DE ROTHSCHILD

WHEN BARON NATHANIEL ACQUIRED CHÂTEAU MOUTON ROTHSCHILD AT AUCTION IN 1853, LITTLE DID HE KNOW THAT HE HELD IN HIS HANDS THE KEYS TO THE START OF ONE OF THE WORLD'S MOST RESPECTED BORDEAUX WINE BRANDS

Founded 80 years later in 1933, the Baron Philippe de Rothschild Group today manages an exquisite roster of estates and branded wines that expand far beyond its Bordeaux heart, maintaining the same dedication to excellence that has characterised the family's winemaking style for generations.

The Group's activities in Bordeaux comprise three Classified Growths in the Pauillac appellation, Château d'Armailhac (1933), Château Clerc Milon (1970) and of course the illustrious Château Mouton Rothschild. In addition they offer a range of high quality branded wines that are sourced from various partner growers and then blended, matured and bottled by the Group itself, foremost among them the famous Mouton Cadet.

Expansions have continued in France to the Pays d'Oc at Domaine de Baronarques (1998), and across the Atlantic with two pioneering family partnerships; one with the Mondavi family and the establishment of Opus One Winery (1979) in the USA and another with Concha y Toro in Chile with the formation of Viña Almaviva (1997), in addition to other branded Chilean wines Escudo Rojo and Mas Andes.

It is a unique blend of respect for traditional know-how and adaptability that have ensured the continued quality and prestige of the Group's wines. To this day it remains an entirely family affair, run by three siblings Camille Sereys de Rothschild, Philippe Sereys de Rothschild and Julien de Beaumarchais de Rothschild.

BARON PHILIPPE DE ROTHSCHILD

MOUTON CADET

IN 1922 THE 20-YEAR-OLD BARON PHILIPPE DE ROTHSCHILD, YOUNGEST SON OF BARON HENRI AND GREAT-GRANDSON OF CHÂTEAU MOUTON'S ORIGINAL BUYER, BARON NATHANIEL, TOOK THE DESTINY OF THE ESTATE IN HAND. DURING HIS REIGN WHICH SPANNED MORE THAN 60 YEARS, HIS DECISIONS WOULD PROFOUNDLY CHANGE THE WORLD OF WINE, RAISE THE IMAGE OF THE FAMILY CHÂTEAU TO UNPARALLELED HEIGHTS AND CONSIDERABLY INCREASE THE RANGE AND GEOGRAPHICAL SCOPE OF ITS ACTIVITIES.

Baron Philippe de Rothschild had the bold idea of making the wealth of the Bordeaux terroir accessible to a wider public and in 1930 Mouton Cadet was born, with a nod to Baron Philippe's position as the younger son (cadet in French) of the family. Renewal and innovation have been a constant feature of the celebrated Bordeaux brand ever since its creation, and huge worldwide expansion under the guidance of Baron Philippe's daughter, Baroness Philippine de Rothschild, sealed its international reputation.

Now the third generation, siblings Philippe Sereys de Rothschild, Camille Sereys de Rothschild and Julien de Beaumarchais de Rothschild, is motivated by the same ambition: to take Mouton Cadet higher and further. Today all Mouton Cadet wines are matured, blended, bottled and stored at the Mouton Cadet Winery in Saint-Laurent-Médoc.

The new Mouton Cadet reds are now matured for 18 months in a process which brings toasted notes and makes the tannins rounder and more supple while preserving their characteristic fruit. Mouton Cadet white and Mouton Cadet Sauvignon Blanc are matured for at least four months, as is also the case for Mouton Cadet rosé.

ESCUDO ROJO IS THE SPANISH TRANSLATION OF THE GERMAN 'ROTE SCHILD' MEANING 'RED SHIELD', THE HISTORICAL EMBLEM OF THE ROTHSCHILD FAMILY.

Produced by Baron Philippe de Rothschild Maipo Chile, Escudo Rojo was born in 1999, the result of a marriage of ancestral Bordeaux expertise and exceptional Chilean terroir. These fine branded wines are both cultivated in the great Bordeaux winemaking tradition of Baron Philippe de Rothschild and capitalise on Chile's environmental richness.

Just four years after the launch of Escudo Rojo, Baroness Philippine de Rothschild inaugurated the Baron Philippe de Rothschild Maipo Chile Bodega in 2003, situated 45 kilometres south of Santiago in the Maipo Valley. The opening marked Baron Philippe de Rothschild's deep commitment to Chile. Today not only Escudo Rojo but also the Anderra and Mas Andes wines are all made, matured and bottled on site at the Maipo Chile Bodega to ensure their high quality is maintained.

The Baron Philippe de Rothschild's spirit permeates the production of their Chilean wines through the quest for high quality. Escudo Rojo blends Chilean identity with French style. Fruity and flavourful with soft tannins, these wines are designed to be enjoyed and shared.

RIMAPERE (MARLBOROUGH, NEW ZEALAND)
FLECHAS DE LOS ANDES (UCO VALLEY, ARGENTINA)
RUPERT & ROTHSCHILD (SOUTH AFRICA)

BARON EDMOND DE ROTHSCHILD

JAMES DE ROTHSCHILD'S GREAT-GRANDSON, EDMOND DE ROTHSCHILD, BEGAN A NEW CHAPTER IN THE FAMILY WINEGROWING ADVENTURE IN 1973 BY ACQUIRING TWO CRUS BOURGEOIS ESTATES IN THE LISTRAC AND MOULIS-EN-MÉDOC APPELLATIONS OF BORDEAUX: CHÂTEAU CLARKE AND CHÂTEAU MALMAISON.

And so The Compagnie Vinicole Baron Edmond de Rothschild was born. In 1997, Benjamin and Ariane de Rothschild gave a dramatic boost to the Compagnie Vinicole by exploring new terroirs around the globe.

Determined to apply traditional French expertise while maintaining local winegrowing practices, they created joint-ventures with families that possessed the same entrepreneurial spirit and love of wine, first in South Africa, then in Argentina and finally New Zealand. Vines planted around the world in virgin lands are now the source of internationally renowned, high quality wines.

BARON EDMOND DE ROTHSCHILD

CHÂTEAU CLARKE

ELEGANT, FINE, AND DENSE, EMBODYING THE TYPICAL CHARACTER OF ITS TERROIR, CHÂTEAU CLARKE IS CONSIDERED ONE OF THE MOST PROMISING WINES IN THE MÉDOC. TODAY'S FOCUS ON EXCELLENCE AIMS TO BRING OUT ITS FULL POTENTIAL, BOTH IN THE VINEYARD AND IN THE CELLAR, AND TO ELEVATE CHÂTEAU CLARKE TO RANK AMONG THE GREATEST MÉDOC WINES.

The estate is in the southern part of the Médoc within the Listrac-Médoc appellation. Its inland location is far from the Gironde estuary in the middle of the limestone plateau and a distinctive feature of the estate's clay-limestone soil is its remarkable drought resistance.

The proximity of the Atlantic Ocean gives a cool freshness that is echoed in the wine's bright bouquet. Though Cabernet Sauvignon is traditionally king of the region, the Château's terroir is very well suited to growing Merlot and this varietal accounts for 70% of the estate's production. Thus, Château Clarke is typical of the Médoc, but in an entirely original way.

Sauvignon Blanc, Sauvignon Gris, Muscadelle and Sémillon, which are used in the Le Merle Blanc blend, occupy a small, three-hectare space for limited production.

BARON EDMOND DE ROTHSCHILD

CHÂTEAU CLARKE

CHÂTEAU MALMAISON

CHÂTEAU MALMAISON, IN THE MOULIS-EN-MÉDOC APPELLATION, IS ONE OF THE OLDEST ESTATES IN THE MÉDOC. GRAPES HAVE BEEN GROWN HERE, THANKS TO A HANDFUL OF DIFFERENT OWNERS AND A SIZEABLE RELIGIOUS COMMUNITY, EVER SINCE THE MIDDLE AGES.

This property, which adjoins Château Clarke, was purchased by Baron de Rothschild in 1973. Thanks to his impetus, the vineyard was restored to its former glory. He named the wine after his spouse, the Baroness Nadine de Rothschild, a passionate gardener. The vineyard now covers 33 hectares of clay-limestone soil, which is ideal for Merlot, the predominant grape variety. Château Malmaison allies delicacy, suppleness and elegance with a rich and fruity bouquet.

Château Malmaison 6 x 75cl OWC

Rich and full-bodied, showing considerable elegance and a fine balance between velvety tannins and perfect acidity. Merlot-led with Cabernet Franc and delicate oak ageing.

BARON EDMOND DE ROTHSCHILD

CHÂTEAU DES LAURETS

THE PLOTS OF CHÂTEAU DES LAURETS STRADDLE TWO APPELLATIONS: PUISSEGUIN SAINT-ÉMILION AND MONTAGNE SAINT-ÉMILION.

The vineyards surrounding the Château and the estate's slope receive optimal southern exposure. The clay-limestone terroir is naturally ideal for growing Merlot, the reigning grape of Saint-Émilion, for this soil profile enables the variety to achieve its full power and signature qualities. Black grape varieties are grown on all the plots.

Of the 95 hectares that make up the property, 36 hectares are reserved to produce Château des Laurets, a blend that is primarily Merlot complemented by Cabernet Franc.

Another four hectares were chosen from the best Merlot plots to produce a wine that epitomizes the property. Ever since his purchase of Château des Laurets, Benjamin de Rothschild wished to reveal the quintessence of this estate by making a special cuvée, and so, Château des Laurets Baron was created. This wine remained a family secret until 2015, when it was revealed for the very first time.

RIMAPERE

BORN OUT OF BENJAMIN DE ROTHSCHILD'S DESIRE TO CREATE A LEADING SAUVIGNON BLANC, THE RIMAPERE ESTATE IN MARLBOROUGH, NEW ZEALAND WAS CHOSEN FOR ITS EXCEPTIONAL TERROIR AND CLIMATE. THE NAME OF THE PROPERTY WAS A DELIBERATE CHOICE: IT MEANS "FIVE ARROWS" IN MAORI AND SIMULTANEOUSLY HONORS THE ROTHSCHILD FAMILY'S EMBLEM AND TRADITIONAL NEW ZEALAND CULTURE.

Rimapere enjoys an incredible terroir. The vineyard comprises 24 hectares of vines that are ideally situated on the prestigious Rapaura site, known as the 'Golden Triangle', where the alluvial soil comprises mainly pebbles and gravel. Sauvignon Blanc is grown on 20 hectares and 4 hectares are kept aside for the cultivation of Pinot Noir.

The vineyard is sustainably farmed, with an average age of around 15 years. This area's cool climate is perfect for ripening high quality Sauvignon Blanc grapes and providing them with their typical lemon and grapefruit flavors, together with crisp acidity.

FLECHAS DE LOS ANDES

FLECHAS DE LOS ANDES IS THE RESULT OF AN ALLIANCE BETWEEN BARON BENJAMIN DE ROTHSCHILD AND MONSIEUR LAURENT DASSAULT, REFLECTING THE FULFILMENT OF THEIR QUEST TO FIND A GREAT TERROIR AT THE BASE OF THE ANDES. LOCATED 120 KILOMETERS SOUTH OF MENDOZA, ARGENTINA, NEAR THE VILLAGE OF VISTA FLORES, THE FLECHAS DE LOS ANDES VINEYARD NOW OCCUPIES MORE THAN 100 HECTARES IN THE ANDES FOOTHILLS. THE FIRST VINES WERE PLANTED IN 1999 AND ARE QUITE DENSE FOR ARGENTINA (5,500 VINES PER HECTARE).

The Malbec grapes thrive on these ideal plots of rocks, granite pebbles and alluvial gravels perched at 1,100 meters above sea level. They are joined by plots of Merlot, Syrah and Cabernet Sauvignon.

The hot, dry climate is characterized as semi-arid continental and features pronounced temperature fluctuations between day and night and across seasons. These mid-altitude conditions are highly conducive to the ripening of black grapes and, more particularly, of Malbec.

BARON EDMOND DE ROTHSCHILD

RUPERT & ROTHSCHILD

RUPERT & ROTHSCHILD VIGNERONS STEMS FROM THE PRESTIGIOUS PARTNERSHIP FORMED BETWEEN THE RUPERT FAMILY OF SOUTH AFRICA AND BARON BENJAMIN DE ROTHSCHILD, WHO JOINED FORCES IN 1997 AROUND A SINGLE GOAL; TO PRODUCE A SOUTH AFRICAN WINE OF WORLD-CLASS RENOWN.

The Rupert & Rothschild wine-growing region sits amongst the northernmost vineyards of the southern hemisphere, and the vines they cultivate here extend over more than 100 hectares. The partnership's estate in Fredericksburg, an historic French Huguenot farm established in 1690, lies at the foot of the spectacular Simonsberg mountain in the Franschhoek Valley between Stellenbosch, Paarl and Franschhoek.

The deal struck between Dr Anton Rupert and Baron Edmond de Rothschild in 1997 has continued to be passed down the generations, with both men relinquishing the reigns to their respective sons: Anthonij Rupert and Baron Benjamin de Rothschild. Following the passing of Anthonij Rupert in 2001, his older brother Johann Rupert and sister Hanneli Rupert-Koegelenberg assumed his position.

Rupert & Rothschild produce three distinct wines; a single varietal Chardonnay; Rupert & Rothschild Baroness Nadine, named after the wife of Baron Edmond; a flagship Bordeaux blend; Rupert & Rothschild Baron Edmond and a classic red blend; Rupert & Rothschild Classique, one of South Africa's most sought after red blends.

Today, Rupert & Rothschild Vignerons is an internationally recognised premier wine brand. A luxuriously elegant and classical brand that underpins a winemaking philosophy of excellence and craftsmanship.

CHAMPAGNE BARONS DE ROTHSCHILD

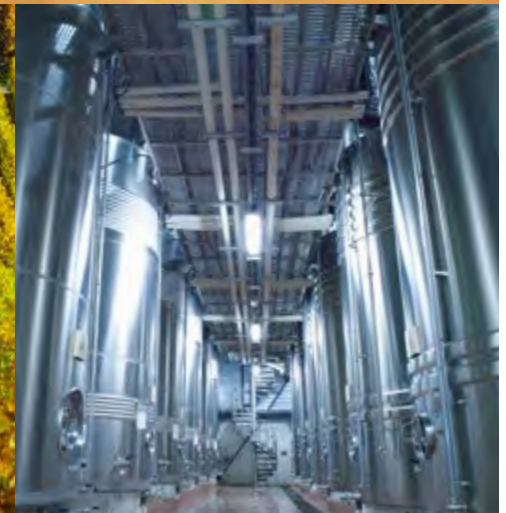

DRIVEN FOR OVER TWO CENTURIES BY PASSION FOR BUSINESS AND THE UNDERSTANDING THAT IN UNITY THERE IS STRENGTH, THREE BRANCHES OF THE ROTHSCHILD FAMILY CAME TOGETHER IN 2007, UNITING THE ARROWS ON THEIR FAMILY EMBLEM TO CREATE BARONS DE ROTHSCHILD CHAMPAGNE.

Everything began in the heart of the renowned Grands Blancs vineyards, a part of the Champagne region where Chardonnay has pride of place. The painstaking care lavished on each Barons de Rothschild Champagne reflects an exceptional commitment to quality that gives them such rarity value. Each bottle rests in cellars hewn out of the rock for at least four years, where darkness and silence reign in respect for the fine Champagne in the making.

Of the 312 villages or Growth that come within the Champagne appellation, only 17 are ranked as Grands Crus and 44 as Premiers Crus. These exceptional soils, the most highly sought-after in the growing area, are where the Rothschild family has established solid relations for the supply of the very best grapes.

Just as in their famous Bordeaux wines, where the proximity of skilled wine experts and the best terroirs have been central to family values for over 160 years, the Rothschilds have succeeded once again in expressing their family values of excellence, taste and conviviality, but this time with sparkle and savour, in their rare and outstanding range of Champagnes.

Today distributed in over 50 countries worldwide, low production volumes and distinctive quality make Barons de Rothschild Champagnes exceptional among the most well-known and remarkable wines.

HUNDRED ACRE

HUNDRED ACRE IS THE ULTRA-PREMIUM CULT NAPA CABERNET PROJECT OF JAYSON WOODBRIDGE, OWNER, VINTER AND VISIONARY. HIS MOTTO IS CONCISE, "STAND AMONGST THE VERY BEST OR NOT AT ALL". AND THAT HE HAS ACHIEVED WITHOUT APOLOGY. AFTER SELLING HIS HOUSE, BUSINESS AND JUST ABOUT EVERYTHING ELSE, HE BOUGHT HIS FIRST VINEYARD IN NAPA VALLEY IN 1998 AND NEVER LOOKED BACK.

Exacting and unrelenting in his passions, for Woodbridge there is no halfway. And it is only once you truly grasp that concept that you begin to understand how Hundred Acre has become one of the world's top wineries. The awarding of 22 perfect 100 scores to Hundred Acre wines by Robert Parker's Wine Advocate since 2002 speaks for itself. As Lisa Perrotti-Brown states, Hundred Acre is "far from a vanity wine project, it's a life's work".

Woodbridge's unique approach sees him intimately involved in each step of the grape-growing and winemaking process, from hand-picking in numerous passes, hand-

sorting berry by berry, to carefully selecting the forest and age of barrels used.

Everything is hand-crafted, hand-pruned, scrutinized and aligned for his desired response. Each Cabernet Sauvignon represents three single estate vineyards from Napa Valley, named after Woodbridge's three children: Kayli Morgan, ARK and Few and Far Between.

A plethora of distinct blends and differently-aged lots also make up the Hundred Acre portfolio, such as Wraith, a 'Holy Trinity' blend of Kayli Morgan, ARK and Few and Far Between, and Deep Time, a study in how oak integrates over time and how Cabernet Sauvignon can continue to concentrate over five or more years.

Ark Vineyard £POA

ARK is comprised of nine different blocks of Cabernet Sauvignon, planted meter by meter in nine different volcanic soil strata. The vineyard stretches through a sixty-million-year time sequence: three ancient beach fronts, a prehistoric weapons quarry, and spans a 180-degree arc of the sun over its half-mile length.

Ark Deep Time £POA

Hundred Acre Deep Time wines are aged for a minimum of 36 months in the finest French oak barriques. The stave wood is hand-selected for ultra-tight grain, then air dried for three years before being made into barrels.

Kayli Morgan Vineyard..... £POA

The Kayli Morgan Vineyard is a single estate vineyard located just north of Saint Helena, California at the base of Howell Mountain and planted with 100% Cabernet Sauvignon. The soils are a chocolatey clay, holding moisture to keep the vines cool. As summer progresses, the ground forms micro-cracks, allowing the roots to seek water deeper and deeper into the earth; as they do, they pick up minerals that give Kayli Morgan its distinctive characteristics.

Kayli Morgan Deep Time £POA

All the same wonders of the Kayli Morgan Vineyard, with an extra year in those amazing oak barrels.

Few & Far Between Vineyard £POA

Few and Far Between is one of three estate vineyards, all of which are farmed organically although they are not certified. The 5-acre Few and Far Between is tucked deep in a small valley in Calistoga. Just down a gentle slope is historic Eisele Vineyard, best known as the source of Araujo Estate's Cabernet Sauvignon and considered hallowed ground by many. The pristine site, planted in rocky alluvial soils, is 90% Cabernet Sauvignon and the rest Cabernet Franc.

Wraith..... £POA

Wraith is a trinity of Hundred Acre's three single vineyard wines. It is a selection of barrels set aside in the cellar from those waiting to be blended someday into the single vineyard wines from Kayli Morgan, ARK or Few and Far Between. All very different and incredibly unique. The Wraith shows all the beauty and personality of each individual vineyard and how they come together to develop even greater complexity.

CHÂTEAU LÉOUBE

NESTLED IN A COASTAL BAY IN PROVENCE, JUST A STONE'S THROW FROM ST. TROPEZ, LIES THE LÉOUBE ESTATE, ONE OF THE MOST BEAUTIFUL PROTECTED SITES IN EUROPE AND HOME TO CHÂTEAU LÉOUBE.

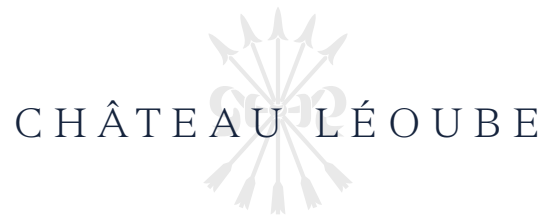

Spread across four kilometres of coastline, the estate includes 65 hectares of vineyards and 20 hectares of olive groves, all devoted to growing the grapes and olives that make Léoube's certified organic wines and olive oils

Provence is home to some of the oldest vineyards in France, with soils dating back over 800 million years. To maintain the heritage of the land, Château Léoube believes in time-honoured, artisan farming, following biodynamic principles. Guided by head wine maker Romain Ott, this is what they have strived to make reality.

All grapes are harvested and sorted by hand, in tune with the seasonal and lunar cycles. It is believed that if the balance of the plant is respected, then it will produce only the most balanced fruit in return. The flourishing of the vines and olive trees at Léoube bear testimony to the wisdom of this natural approach.

In the cellar, only whole clusters of grapes are used and crushed by direct pressing. The wines are fermented with indigenous yeasts and also undergo malolactic fermentation, with little-to-no use of sulphites. The Château's rosés undergo at least six months on the lees, to allow complex flavours and textures to develop and resulting in wines that are well balanced, fresh, and full of character, whilst remaining true to their terroir.

Love by Léoube6 x 75cl

A harmonious blend of Grenache and Cinsault, Love is a quintessential, dry Provence rosé style. Pale Pink with attractive fruit flavours of strawberry and white peach and fine overall balance.

Rosé de Léoube6 x 75cl

A blend of Grenache, Cinsault, Syrah and Mourvèdre, this is definitely a wine of elegance over power. Delicate notes of honey, mint and soft red fruits with a perfectly balanced acidity and long finish.

Le Secret de Léoube6 x 75cl

Made from lower yields, Secret is delicately scented, distinctly pale and carries the most elegant of pear aromas. Assured and effortless, Secret is remarkable for its texture and sensation in the mouth.

Rosé Lalonde6 x 75cl

This is a fascinating wine, clearly rosé in colour and style, and yet with a richer texture and mouthfeel, reminiscent of a white Burgundy. Whilst dry and crisp, there is a fine intensity of strawberry and white peach fruit.

Blanc de Léoube6 x 75cl

A blend of Sémillon, Rolle and Ugni Blanc. Herb and mint notes give way to spiced pear and lychee, with a gentle salinity flowing throughout. Dry, textured and highly distinctive.

Rouge de Léoube6 x 75cl

This is a beautiful spicy, dry red with notes of blackberry, pepper and cinnamon, all characteristics typically found in Syrah, the grape variety that dominates the blend. Juicy and moreish with a satisfying freshness.

Les Forts de Léoube6 x 75cl

Syrah, Grenache, Cinsault and Cabernet Sauvignon combine here to produce youthful flavours of plum and cherry, developing into more complex notes of walnut, dried fruits and tobacco.

Collector Grand Vin.....6 x 75cl

A unique 100% Cabernet Franc wine, aged slowly and elegantly. Gently fragrant on the nose, it shows more expression on the palate where the flavours of blackberry and black plum are underpinned by attractive tobacco notes.

Sparkling de Léoube6 x 75cl

Very few sparkling rosés are made in Provence, so this is rather special. Showing just the barest blush of pink, it is equally subtle on the nose and palate. With delicate tones of hazelnut and soft fruit, it is unusually dry for a sparkling wine.

These wines are not sold exclusively by Waddesdon but are available to selected customers.

CHÂTEAU D'ANGLÈS

LA CLAPE BECAME THE LANGUEDOC'S FIRST 'APPELLATION COMMUNALE' IN JUNE 2015, A SUCCESS STORY THAT CONSTITUTES BUT A RECENT CHAPTER IN THE REGION'S RICH, 2,000-YEAR-OLD WINEMAKING HISTORY.

Julius Cesar gifted this rocky outcrop overlooking the Mediterranean to his most favoured legionnaires, and so it was the soldiers of the 10th legion who first began the planting of the hallowed Bourboulenc grape variety there, considered in Greek mythology to confer wisdom on those who drank it.

More than a thousand years later, the Languedoc was brought under the rule of the French King Louis VIII and governed by the Baillys d'Anglès from 1226. In the following centuries the property endured Revolution, division and the passing from owner to owner until the Fabre family were finally able to reunite Château d'Anglès under its original family name at the beginning of the 21st century.

The vines at Château d'Anglès enjoy a unique combination of natural elements; basked in sunshine for 300 days a year, refreshed by the Mediterranean breeze, deeply rooted in the hostile rocky, limestone soils and enveloped in the surrounding aromatic vegetation known as 'garrigue'. This exceptional terroir expresses its very best under the watchful eye of Eric Fabre, whose talent and experience permeate each stage of the winemaking process, from hand-picking and careful selection, to patient nursing in French oak barrels and painstaking blending.

The resulting wines are a perfect harmony of mature and fresh, generous and precise, powerful and structured... testament to the reputation of Château d'Anglès, which is lauded by the international press, experts and wine lovers across the globe.

A little later, with the flowering of the Renaissance, they became patrons of major works in Florence, such as the construction of the Santa Trinita bridge and the Basilica of Santo Spirito.

Throughout all this, the Frescobaldis have always looked to develop and celebrate the diversity of Tuscany's terroir. As proud owners of some of the greatest vineyards in this region, they have always sought to maintain the identity and autonomy of each property.

Frescobaldi represents the true diversity of Tuscany and its six estates, Nipozzano, Castel Giocondo, Pomino, Ammiraglia, Castiglioni and Remole, are all located in the most suitable areas for the production of fine wines. Luce della Vite, Danzante and Attems (Friuli) also form part of the Frescobaldi Group.

Committed to maintaining their reputation as the reference producer for Tuscan fine wines, Frescobaldi continues to cultivate the best of Tuscan diversity, both through fostering sustainable cultivation of the land to produce fine wines that fully illustrate the diversity of their family estates, and by communicating and promoting the culture of Tuscany and its different territories through their Estates and wines.

Each plot is isolated and worked in respect of its origin to reveal, in the most precise and true way, the expression of its terroir - either Kimmeridgian marls, Flint or Limestone Clay soils.
