

WADDES DON

A Rothschild House & Gardens

GROUP VISITS

Waddesdon, a French Renaissance-style château, was built in the 1870s by Baron Ferdinand de Rothschild to house his art treasures and entertain the fashionable world. His collection of English and Dutch paintings and French decorative arts was amongst the finest in the world and can be seen today within the Manor's richly decorated interiors.

WADDES DON

Explore the gardens

With beautiful displays and sweeping landscapes, the gardens can be enjoyed all year round, from daffodils in spring to drifts of snowdrops in winter. Throughout the grounds spot 18th-century statues and contemporary sculpture.

Hear rare birds call from the ornate Rococo-style Aviary, a registered zoo that takes part in important conservation breeding projects of endangered birds.

Freshly prepared food

Make a visit to Waddesdon even more special with a classic afternoon tea in our Manor Restaurant. Enjoy savoury treats and sweet fancies created by our in-house pâtissier using Waddesdon Estate produce
